Thanks to our generous community, the Maidu/Excelsior PTC has determined that approximately \$2,000 is available for small grants for this school year. The grant program is open to parents, staff or teachers from Maidu or Excelsior schools and priority will be given to those grant requests that have the most direct positive effects for students. The grant awards will be determined at the April 30 PTC General Meeting (11am-1pm, Excelsior P4) and notification will be made as soon as possible following the meeting.

The expenditure must be made and the invoice for the grant expense must be turned into the PTC **prior to June 1, 2008.**
