

TUNE IN TO SCHOOL NEWS...Wednesday electronic reminder service

FOR THE 2008-09 SCHOOL YEAR, we are going to an on-line system of communicating school news. **ONLY CLASSROOM-SPECIFIC AND LIMITED SCHOOL INFO WILL BE SENT HOME ON WEDNESDAYS IN PAPER FORM.** We will provide websites with the information that was previously sent home by paper flyers in Wednesday folders. To assist you in transitioning to this on-line information system, we will send you a weekly reminder to check the e-Wednesday folder website. Links will be included in the reminder to allow you to click to the website.

Please follow these instructions to assure that you will get your weekly reminder:

Send an email to maiduexcptc@eureka-usd.k12.ca.us with your name, children's names and grade levels. If you would like to include other e-mail addresses for reminders, please do so.

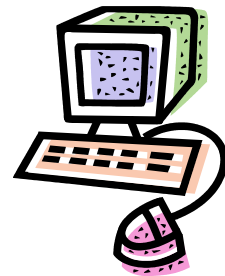

Note – If you don't sign up for the reminder service, you should check the Wednesday folder website once a week by going through **MEPTC.ORG** or directly to these websites:
