

# Maidu School and Excelsior School

**\$35 Classroom Donation** (*payable to the school*) — This money pays for special classroom supplies (per teacher discretion) such as special art supplies, rewards, educational enrichment tools/kits/books, etc. \$5 goes to technology updates and support.

**\$5 - \$20 Class Party Donation** (*usually payable to the room parent*) — This money is used for holiday parties and treats for your child's class.

**Parent Teacher Club (PTC)** is funded mainly by the Jog-A-Thon, Fall Fundraiser and Scrip. The PTC funds the Art Docent program and Science Docent program, the school assemblies, music production props and supplies, extra classroom supplies not covered by the district, reading incentive party, staff development and training not covered elsewhere, Excelsior school student planners and many other things that directly benefit your children at Maidu and Excelsior.

**Electronic Scrip.** This is the EASIEST fundraiser you can do without knowing it. You simply register your grocery cards (and other debit and/or credit cards, if you wish) at [www.escrip.com](http://www.escrip.com), designate Maidu Excelsior PTC as your beneficiary (you can designate more than one entity: Maidu/ Excelsior's ID is 6532226) and a percentage of your purchases at participating retailers are automatically sent to you designee/s. It is really that simple! Sign up on [www.escrip.com](http://www.escrip.com).

**Eureka Schools Foundation (ESF)** is financially supported through the Granite Bay Home Tour, Golf Tournament, Fall Dinner Dance and Auction, Joint PTC/ESF Country Faire. These fabulous events allocate a great deal of money each year to support music programs, athletics, computer technology, foreign languages, the arts, and library resources. ESF typically pays for "things" while the Eureka Annual Giving Program below,

supports the staffing. Examples of where ESF funds go include stage lighting and choral risers (so that you can see your child's smiling face), Writer's and Reader's source handbooks, playground equipment, TV/VCRs, computers, printers and software at both schools. For more information, please visit [www.eurekaschoolsfoundation.org](http://www.eurekaschoolsfoundation.org).

## Where Do Our Contributions Go??

**Eureka! Annual Giving Campaign (E!AGC).** This fundraising program is a joint effort of the Eureka Union School District (EUSD), the Eureka Schools Foundation, and the school-based Parent Teacher Clubs. The funds raised through a direct mail campaign and telethon go toward saving instruction of music, library, technology and physical education programs in all EUSD schools. For the past four years, the E!AGC funds have directly saved jobs in these enrichment areas from being eliminated or drastically reduced. The goal is not only to save existing programs, but to eventually expand the enrichment programs available to children in our district. The campaign runs from February through May each year.
