Ordering Scrip

To order scrip, navigate to the order page by clicking "Shop" at the top of any page.

ShopWithScrip has hundreds of different retail brands, so the order page organizes products by category. Some categories may have several pages of selections. To find a product, jump to the appropriate section, or enter all or part of the retailer name in the search box. You can also download a complete list of all products as a handy reference.

Select items and quantities on the worksheet, and press the "add to cart" button to add them to your shopping cart. Click the "check out" button when you have completed your selections. Review your order, and press the "finish" button to submit your order.

Finally, you will see an "order confirmation page". Print this order confirmation page, and submit it with your payment. This order confirmation page will also give you the opportunity to tell us how you would like to receive your order.

Happy ordering!

Margot and Kristen ☺
